aHoly Cross Lutheran School
2018-2019 P.3 LEGO WeDo Project
Saving Rapunzel—3A

三年級同學利用LEGO製作模型學習編程和英文！
All the P3 students listened to Mr. Matthew tell them the story of Rapunzel!
小三同學們一起聽外籍傳教士講述長髮姑娘的故事！

Students listened to teachers and learned about the life cycle of a frog and students observed the differences between a tadpole and a frog.
同學們聆聽老師講解青蛙的生命周期。

Students used LEGO to build a tadpole and then they modified it and changed it into a frog.

同學們學習用LEGO拼砌青蛙。

Students learned to use the coding system on the iPad to control the movement of the frog.

同學們學習用編程令青蛙能夠活動。

Students used their creativities to provide a new ending to the story.

同學們進行故事創意寫作。

Here are the winners of the writing competition.

這是我們故事創意寫作得獎的同學。
