

ADVISORY SUPPORT PLAN (ASP)

16 AUG 2020

End-of-year Review
Holy Cross Lutheran School (2018 PLP-R/W School) NET Scheme No. 210
2019/20 School Year

Principal	EPC(s)	Coordinator	NET	AT	ATT Manager
Ms Luparker WONG	Ms Yvonne CHOI	MS Carol TAM	Ms Katherine Jane CLARK	Mr Abuzar ABBASI	Ms Winnie SO

AT End-of-year Review Comments:

Due to the class suspension caused by the COVID-19 outbreak, the onsite school support scheduled for the second term has been severely affected. Although we were not together in person, technology allowed us to remain connected to each other to some extent. The teachers have been kept informed of the latest development of the Section including professional development opportunities and learning and teaching materials available.

The school will continue to use LEGO WeDo and design their new units for P4 on motors (cars). The unit will be taught over two weeks with NET doing the reading component at the start followed by IT teachers teaching the technology part. The English teachers will then follow up on the writing task. The plan was shared at the end-of-year meeting and the AT will be providing support during the unit refinement and classroom support.
