

ADVISORY SUPPORT PLAN (ASP)

Mid-year Review

Holy Cross Lutheran School (2010 PLP-R/W School) - NET Scheme No. 210

September 2014 to July 2015

Comments

The school is implementing PLP-R/W programme successfully in Primary 1 and 2.

The school is planning to expand the English room for 2015-16. The school is highly committed to the programme and has two teachers and NET teaching P1 and P2. A workshop was organised to help teachers design effective summative assessment.

Ms Teresa (EPC) plays a very key role in sustaining the PLP-R/W programme in the school. She has very high leadership qualities and is effective in managing the English teaching team and organising the programme. Please give some comment as to the focus of AT support for the remainder of the school year.
